Dear Mr. Record:

This is simply to tell you that Mr. Durkin and Mr. Dibos plan to arrive in New Brunswick on Tuesday morning, January 30, around 9:00 o'clock -- earlier if the Seaboard Lake train is on time. They will go directly to the hotel to meet you and would appreciate your reserving for them two single rooms.

I am sending a copy of this letter to you in care of your Toledo office.

Sincerely yours,
