

July 28, 2025

Lou Hrkman

Principal Deputy Assistant Secretary for Energy Efficiency and Renewable Energy
United States Department of Energy

Lou,

On behalf of the member utilities of the American Gas Association (AGA), which represents over 200 local energy companies that deliver clean natural gas throughout the United States to nearly 189 million Americans, I am pleased to invite you to be a featured speaker at our 2025 Policy Forum, a robust discussion of AGA member priorities and issues facing our member utilities.

This year AGA is hosting its annual Policy Forum at the Marriott Lexington Griffin Gate Golf Resort & Spa in Lexington, Kentucky from Monday September 29th through Wednesday October 1st. The Policy Forum brings energy industry officials, policy experts and state policymakers together with approximately 100 senior government relations professionals, policy analysts and regulatory planners from AGA member companies.

We are hoping you will participate in our program as a featured speaker at a time of your choosing if you are available to join us for lunch from 12:00-1:00 on Monday the 29th, an evening reception from 5:00-6:30 on Monday the 29th, lunch from 12:00-1:00 on Tuesday the 30th, or an evening reception at a nearby distillery on Tuesday the 30th.

Thank you in advance for your consideration of this invitation. We look forward to having you as part of our program. To confirm your participation or if you have any questions, please get in touch with me at fcanavan@aga.org, or by phone at (b) (6)

We look forward to hearing from you and hope to see you in Lexington.

Sincerely,

Frank Canavan

Frank Canavan *Director, State Affairs*
