Hi Jim,

Per this letter from Governor Otter, does WGA want to play a role in coordinating a meeting with Secretary Zinke and the governors of Idaho, Oregon, Washington, Montana, and maybe Wyoming, to talk about coordination on zebra/quagga mussels? We'd make the National Invasive Species Council available on our end to round up the other federal agency players.

Want to talk schedules, roles and responsibilities? I don't think the meeting can wait until your summer meeting. Your thoughts?

Thanks,

Scott

Scott,

Per what I mentioned yesterday- Governor Otter is planning on giving the Secretary the attached letter asking him to work with the Western Governors' Association on invasive species in a meeting (that will largely cover BLM issues) on Thursday. Kathy is putting the memo together if you think its necessary to include a bullet on this.

Thanks.
