Mr. DeWitt Huffman
Industrial Hygiene Engineer
Industrial Commission of Ohio
Division of Safety and Hygiene
700 West 3rd Avenue
Columbus 12, Ohio

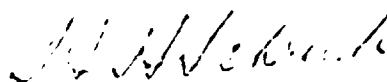

Dear Mr. Huffman:

I am in receipt of your letter of February 2 regarding attendance at the Annual Meetings of the Foundation.

I was not with the Foundation in 1946 but have been told that during that period attendance at Annual Meetings was limited to members because of the small number of meeting rooms in Mellon Institute. We can now take advantage of additional meeting rooms at Hotel Webster Hall directly across from the Institute.

The Industrial Commission of Ohio is a subscriber to Foundation publications and for the past several years subscribers have been receiving meeting invitations. In your case, this was addressed to James Flaker. Mr. Richard Morse is on our list to receive an invitation for October 24-25, 1962, and we will see that one is also sent to you.

Sincerely yours,

H. H. Schrenk, Ph.D.
