Dr. Kieffer Davis
Phillips Petroleum Co.
Medical Department
Bartlesville, Okla. 74004

Dear Kieffer:

I spent an interesting day with Dr. Arend Bouhuys and visited his laboratory and van. As a result of this visit, he has made a proposal in regard to a study of asbestosis in refinery employees. I have attached a copy of this for your perusal and I would appreciate your comments as to whether you think he might fill the bill to do the study as we previously discussed.

Hope you are enjoying your summer.

Cordially yours,

H.A. Sinclaire, M.D.
Medical Director
