Here is a statement from the Administrator in response to the CNN story:

“This report is simply false. General Sessions and I are friends and I have always said I want nothing more than to see him succeed in his role.” – EPA Administrator Scott Pruitt

Subject: CNN on Pruitt/Sessions

Hi Jahan,

Just saw a CNN report about Administrator Pruitt appealing to POTUS to replace AG Sessions.

You previously told me on background that he was a more natural fit for that role. Any comment on this CNN report?

Many thanks,
Valerie
