Campaign To Re-Elect
Barbara B. Boyd
Alabama House
of Representatives
District 32

February 6, 1998

Dear *Solutia Inc.*,

Your contribution to my campaign is gratefully appreciated. Your time, money and confidence placed in me as I seek re-election is a challenge for me to work harder to improve the quality of life for residents of House District 32 on the local, the state and the National levels.

The primary theme is "Working Together for Talladega and Calhoun Counties," and, you can make a difference if we share our ideas by keeping the lines of communication open whether we agree or disagree on the issue.

The secondary theme for the re-election Campaign is working together: communicating, collaborating, and compromising as we face the 21st Century.

Your cooperation is indeed appreciated.

Sincerely,

Barbara B. Boyd
