Mr. James P. Verhalen  
United States Mineral Products Company  
Stanhope, New Jersey 07874

Dear Jim:

Enclosed are draft minutes of the special meeting of the Board held on January 4, 1967. As you recall draft minutes of the Fall meeting of members were circulated heretofore to the directors and should be offered for approval at the annual meeting on January 31, 1967.

Also enclosed is a copy of a letter received from a Mr. Balver of the School of Public Health, University of California, requesting data on industry products. Since this request could relate to the recent memoranda prepared by the Division of Industrial Safety in California, the members of the association may wish to discuss the form of the reply to be given to this request.

Sincerely yours,

*John Boyer*
