Dr. R. A. Kehoe

Dear Dr. Kehoe:

Attached hereto is a letter which Mr. Hartman of Eastman Kodak Company wrote to Dr. Edgar regarding their shipping of tetraethyl lead to supply houses and individuals. Also, their poison tag which has some wording on it which does not seem to be in line with precautions we take in handling Fluid.

Mr. Hartman requests some word from us and so we would appreciate your replying direct or letting us know what you wish to tell him.

Very truly yours,
