

MAREMONT PRODUCT ENGINEERING DEPARTMENT ENGINEERING BULLETIN		Bulletin No. 53-003
Product: <u>RELINED BRAKE SHOES</u>		Supplement No.
Subject: <u>Revised Brake Shoe Set Numbering System</u>		Date <u>2-18-69</u>
Reference:		Page <u>1</u> of <u>8</u>
		Superseding No.

The 1969 Relined Shoe Catalog will incorporate the Revised Brake Shoe Set Numbering System. Attached are the interchange sheets necessary to reference the new set numbers to the present set numbers. All inventory and records are to be remarked and changed as soon after catalog release as possible.

NOTE: Inventory may be remarked with new number only if in agreement with consolidations approved and released on E.C.O. #53-5004, dated 10-31-67.

The following set numbers will be deleted. Specification sheets should be retained for reference purposes only.
