Do you want briefing materials sent? And if so to who and when.

Obviously it's up to David who he wants in the room but Kate MacGregor might be appropriate.

Thanks

Thanks for understanding. Could we look at doing something the week of May 14? David has potential travel the previous week. At the moment I would say the 14th or 16th are the best days. Let me know which would work best and I can offer some times.

Thanks

Gareth

Thanks, Gareth. Totally understand. Better safe than sorry.

No. The issues aren't even close to being the same so there would be no Westlands discussion. It's Monuments and mines.

They are meeting with Alan Mikkelsen in Denver in half an hour.

I'm going to start with May 9,14,15,16? I haven't talked to them yet so I thought I'd throw some dates out to you then check with them.

Again thanks so much.

Hi Denny,
Sorry for the delay. I needed to run this through Ethics who noted that Westlands Water District is a client. We just want to be clear that David will not be able to discuss any matters regarding Westlands. But as this meeting will be regarding other issues, I will be happy to help schedule. What timeframe would you like to look at?

Thanks

Gareth

Gareth,

Any movement on my scheduling request. April is rapidly disappearing. The week of May 7th would work as well.

Thanks!

Good morning,
David,

As I mentioned, I have been retained by Castle Mountain Ventures to begin a discussion concerning their

California mine that was included in a monument designation during the Obama Administration. They would like an opportunity to meet with you sometime in April to discuss the issue. Who can I work with to discuss scheduling a meeting with you?

Thanks for the consideration.
