

1 A Sometimes it seems like a bunch, other times
2 it seems like too much. I can't tell you how much on
3 average.

4 There is times right now I seem like
5 spending 30 hours a week on aspects, but other times
6 it seems like nothing. It is really difficult to get
7 a time-weighted average.

8 Q And do you send out the bills?

9 A They go out of my office and I look at them,
10 I am sure.

11 Q Sir, the chart that you showed us here, the
12 entire chart with the 23 entries on it, are these
13 studies that you generally rely upon in reaching some
14 of the conclusions that you have given us here today?

15 A I certainly utilized the published
16 information and the available information in support
17 of the work that I did and in turn I guess it provided
18 me with a more secure foundation for that, yes, sir.

19 Q Sir, of the 23 studies that you put up on
20 your board for the jury, isn't it true that 22 of them
21 list the amount of particle or fiber exposure during
