

Subject: Thank you!!

I just wanted to send you guys a note saying thanks for all your help in coordinating our visit with the Administrator on Tuesday! It went very smoothly and that was mostly due to your help. We're looking forward to working with EPA, and the Administrator's office in particular, in the future. And Cheryl and Lincoln, it was nice to meet you in person!

Don't hesitate to reach out to me if we can be helpful in anyway.

Best,

Autumn

Hey Millan! I'm sure Ryan has a full plate and I thought I'd put this in your hands too. Do you need anything from me to get this confirmed?

It's likely that we'll have the other cabinet members there as well.
