Gentlemen: Re: Verbal Order #80-9H-1265
 Detrick Arch
 Follansbee, W.Va.

We wish to acknowledge and thank you for the above verbal order calling for one (1) Detrick Arch including all first quality tile, fireclay, castings and steel - all as shown on our drawing #12964-B. This material will be billed to you at EIGHT HUNDRED AND TWO DOLLARS (\$802.00) f.o.b. shipping points with freight allowed to Follansbee, W.Va.

Our price is based on present-day material and transportation costs. We reserve the right to increase our price to that in effect at time of shipment.

Please note that the refractories on this order will be shipped approximately on August 17, steel will be shipped August 17th or 18th, and the castings will be shipped August 21, 1959 - sooner if at all possible. Some of the castings will be shipped from our foundry at Newark, N.J., with the majority being shipped from Peoria, Ill.

We will appreciate receiving your confirming order to complete our records, at your convenience, and wish to assure you that this order is receiving our very best attention.

Yours very truly,

M.H. DETRICK COMPANY
