

C. 6. 6. m

PITTSBURGH CORNING CORPORATION
PORT ALLEGANY, PENNSYLVANIA

31 August 1970

MINUTES OF SAFETY POLICY COMMITTEE MEETING HELD WEDNESDAY 26 AUGUST 1970

Members Present:	G. V. Turner	C. W. Dolaway
	J. L. Hyde	H. P. Smith
	R. W. Stohr	L. K. Hardes
	R. A. Johnson	G. R. Coneys
		H. J. Baker

1. Fire Marshal - George Coneys report:

July 22 - 2½" hose drill was held for the men of General Maintenance at the fire pump.

July 30 - All fire systems and extinguishers were cleaned and checked.

2. Foreman & Union Safety Tour - Chairman, L. Marchinetti, reported on the safety tour of Plants #6, 8, Warehouse 8 and the Service Departments. Covering ten items, seven completed, one scheduled, one under study and one partially completed.

Plant 8 was the cleanest and in the best condition ever. We were told that the Mechanical Sweeper had just passed through on its semi-weekly schedule. The Committee recommends that the Mechanical Sweeper go through the plant (15 minute trip) every working day.

3. Report of Safety Director - H. Baker

Reviewed PPG Industries Disabling Injury Report for June as prepared by H. Clark Underwood, Manager, Safety & Plant Protection.
