Charles,

Just wanted to follow up and let you know where we are on the investigation process. I spent an hour plus this morning with the investigator from OPM regarding my appointment/security clearance. They have started to reach out to my references and asked for someone else that we socialized with, and another neighbor. He also was not able to meet with the folks that held my employment records from HBW and Nossaman. They should be able to get those on Monday.

Not sure what that means for timing but wanted to let you know where I know we were at.

I am very much looking forward to joining the EPA team on Monday the 19<sup>th</sup>.

Regards,  
Lee
