Mr. M. O. Varner
American Smelting and Refining Company
3422 South - 700 West
Salt Lake City, Utah 84119

Dear Mr. Varner:

Please find enclosed Station 1-12 environmental samples. Also, enclosed are personal samples A1-A4 taken from coupling lathe operations, B1-B4 taken from batch operation, C1-C4 taken from cut-off saw operation, and D1-D4 taken from pipe lathe operation.

Personal samples on each group are to be averaged on an eight hour time weighted average.

Sincerely,

F. W. Limbaugh
Laboratory Supervisor
