

1 laborers were performing that task?

2 A Yes, he would.

3 Q About how many bags of plaster would it take
4 to do a room like this?

5 And let's assume that we had all walls here
6 instead of the lovely wood paneling that we have.

7 A This room here, I would estimate 150 bags.
8 We are talking about the ceilings, the walls, 150
9 bags.

10 Q Now, you had over your years as a plasterer,
11 you would have occasion to actually go out and order
12 the product for the jobsite?

13 A Yes, I would.

14 Q And when you would order that product, am I
15 correct you would order several extra bags of plaster
16 to make sure you had enough?

17 A I would order 10 percent more than I figured
18 it would take.

19 Q And why is that?

20 A For the droppage and spilling on the
21 floors. At the end of the day you would have to leave
