

1 a project funded by that group.

2 Q Any others that I have missed regarding
3 motor vehicle or friction product companies?

4 A I think your list is quite comprehensive.

5 Q Do you know the number of times that you
6 have testified in defense of Ford in an auto mechanic
7 case alleging mesothelioma?

8 A I don't remember how many times.

9 Q The same question with respect to the other
10 vehicle, car companies and friction product companies,
11 do you recall the number of mesothelioma cases and
12 auto mechanics that you have consulted with with those
13 other companies?

14 A I don't know how many.

15 Q Do you know how many you are retained in
16 currently?

17 A I would say about three or four cases,
18 either ongoing or inactive for one.

19 Q And would you agree, Dr. Wong, that you have
20 testified in a few brake mesothelioma cases every year
21 since about the mid 1980s?
