Ropes, Chains, and Slings

Chapter 26

Fiber Rope 712
Natural fibers Synthetic fibers Inspection Care of rope in use Care of rope in storage

Wire Rope 717
Construction Safety factor for hoisting ropes . Causes of deterioration Sheaves and drums Lubrication Overloading Rope fittings Inspection and replacement

Rope Slings 726
Materials Methods of attachment Safe load limits Inspection

Chains and Chain Slings 730
Materials Properties of alloy chains . Hooks and attachments Inspection Safe practices

Metal and Nylon Mesh Slings 734
Materials Safe practices Inspection
