FROM (NAME & LOCATION) C.R. COLEMAN - Ruabon

DATE 11th June, 1968.

cc: P.J.A. Marsh - London
D. Wood - BrusselsSUBJECT PYROCLOR DISPOSAL - Your memo 30.5.68.

REFERENCE CRC/EMH

TO : J.M.M. THOMSON - London

The only reference that I have to the pollution of the atmosphere and rivers by chlorinated diphenyl is New Scientist, 15 Dec 1966, p.612. I do not have any of the original papers by Dr. Jensen.

I would suggest that you contact Dr. Hardy who deals with toxicity questions, and was directly involved.
