Thanks for your patience. This is approved. But I believe you need the word "the" added to their titles -- Secretary of "the" Interior and same for Salazar.

Any chance you're available on Thursday or Friday at noon (eastern time) for a quick conference call with our team (staff advance, external affairs, press, and security) regarding the event -- just to discuss who you're inviting, press component, format, etc so our entire team can get briefed? If that day/time doesn't work we can also explore next week.

Thank you!
