Dear Mr. Pruitt:

We, the undersigned members of the St. Joe County Tea Party Patriots, wish to express our sincere thanks for your willingness to meet with tea party representatives for a special briefing on federal regulation.

The tea party movement has been advocating for fiscal responsibility and Constitutionally limited government since our founding in 2009. We were both pleased and encouraged to hear about the Trump Administration's commitment to fulfilling a promise to "Cut the Red Tape."

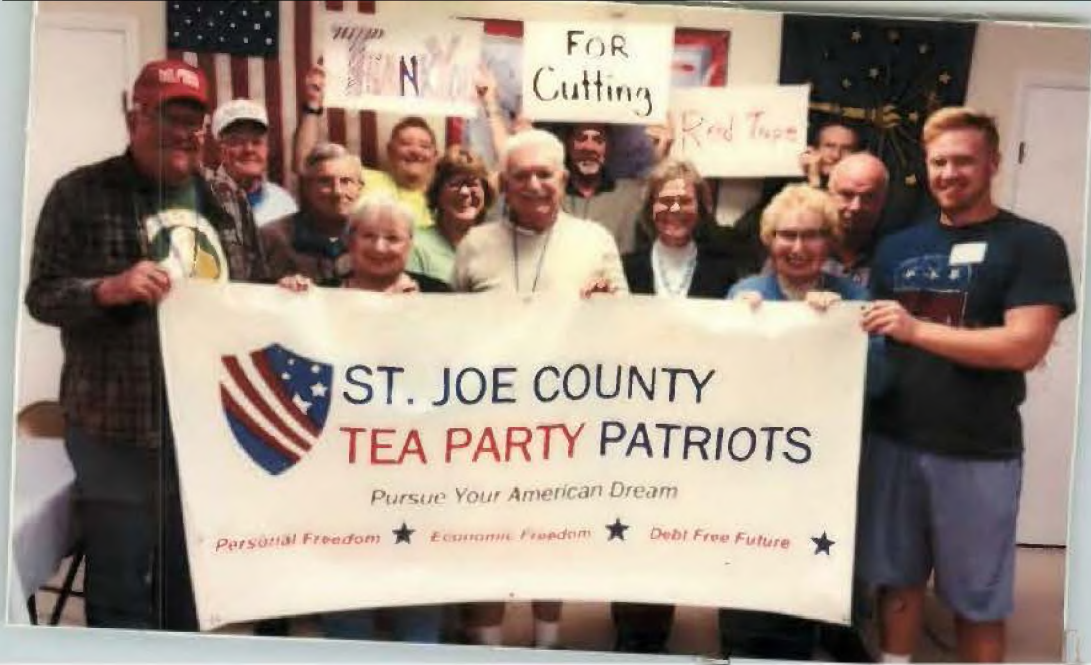

We offer our wholehearted support for your efforts. For our part, we pledge to educate our fellow citizens on the benefits that can be realized by streamlining or eliminating burdensome regulations. We will also contact our elected representatives and urge them to support Trump Administration initiatives to "Make America Great Again".
