

1 duties that you had?

2 A Same as mine, yes.

3 Q Now, how many shifts were there at the post
4 office garage there?

5 A Three shifts.

6 Q And on each of the shifts, approximately how
7 many mechanics worked per shift?

8 A About seven or eight.

9 Q And is it fair to say that the garage at
10 Preston Street was a garage that was worked around the
11 clock?

12 A Yes.

13 Q Now, in terms of the 150 vehicles that there
14 were there, can you describe for us the types of
15 vehicles?

16 Were there trucks, were there cars? What
17 types of vehicles were there?

18 A About a quarter to two and a half ton.

19 Q And were there cars as well?

20 A Yes, we had a few cars.

21 Q And of the trucks and the cars that were
