Subject: PFAS information sessions

Hi,

My name is Lucy Boyd and I work at CBS News. We saw that the EPA is starting community engagement sessions about PFAS in New Hampshire (<http://www.fosters.com/news/20180614/epa-meeting-on-pfas-contaminants-coming-to-exeter>)

We were wondering if the same type of informational sessions will be happening in Michigan? If so, when and where?

Thank you,
Lucy
