Section I – INTRODUCTION

PURPOSE OF THE INSPECTION

EPA Region 6 inspectors Kerri McCabe (lead) and Uma Lad arrived at the Williamson Pumping Service, Inc. / Newton A-1 Tank Battery (“facility”) located from State Highway 82 East, right on State Highway 29, and left on lease road at 33.325419, -93.580597 in Lewisville, Lafayette County, Arkansas; at 1615 on 01/12/2026 for an unannounced inspection. No facility representatives were present at the time of the inspection. The inspection was conducted by the authority of the Clean Water Act (CWA) to determine compliance with Environmental Protection Agency (EPA) regulations. There were no other federal, state, or local agency representatives present at the time of the inspection.

FACILITY DESCRIPTION

EPA conducted an inspection on the Williamson Pumping Service, Inc. / Newton A-1 Tank Battery facility, which contained one (1) tank battery with four (4) tanks for oil storage. Note: Newton A-1 and Lester-Patton #2 production wells share the same tank battery with two (2) storage tanks for each production well.

Map 1. Aerial imagery (Google Earth dated 09/08/2023) of the Williamson Pumping Service, Inc. / Newton A-1 Tank Battery facility.

Section II – OBSERVATIONS

I observed the facility signage and an overview of the facility; see Appendix 1 (Photographs Log), Photos No. 1 and No. 2. For additional GPS location and photo metadata, see Appendix 1.

Section III – AREAS OF CONCERN

No closing conference was held due to no personnel with Williamson Pumping Service, Inc. being present during the inspection. There were no areas of concern noted at the time of the inspection.

Section IV – FOLLOW UP

Inspector will conduct follow-up phone calls with the company representative(s) over the coming weeks and months to ensure areas of concern, if any, are properly addressed.

Section V – LIST OF APPENDICES

Appendix 1 – Photograph Log – 2 photos taken on 01/12/2026.
