Hi Syd,

The below three people were tremendous advocates (outlined below) for Administrator Pruitt during the confirmation process. Joe Lakin has requested quick thank you calls to them at the Administrator's convenience. Could you perhaps suggest some date and times in the next couple of weeks that might work?

Thank you!
Crystal

- 1- MO House Speaker Todd Richardson - helped usher the resolution through the House, did an op-ed and TV appearance discussing the nomination.
- 2- MO Secretary of State Jay Ashcroft - did an op-ed and social media supporting confirmation. Also, spoke with some ag groups about importance.
- 3- MO State Rep. Travis Fitzwater - carried House resolution supporting AG and did a ton of social promoting nomination.
