

November 8, 1940

Dr. J. A. Sanford
E.I. duPont de Nemours & Company
Lead Plant
Baton Rouge, Louisiana

Dear Doctor Sanford:

I am enclosing herewith two copies of the memorandum on my last visit to the Lead Area, one for you and one for Harry Fisher, whom I did not get to see when I was in Baton Rouge. There are certain items of housekeeping which will probably be of interest to him.

Cordially,

WM:vr

Willard Machle, M.D.
