Lee,

There has been no follow-up from Region V re: the concerns initially flagged with MMSD's milorganite / biosolids program that we discussed with Susan B and Kevin Shafer last Fall. MMSD and WI DNR are finalizing there permit and don't want to be blind sided by Region V. Do you have 10 minutes on

March 6th to meet with Kevin Shafer and I - we are wide open from 8 AM to 1 PM and any time after 4 PM. Your sage counsel is appreciated.
