

January 25, 1945

Mr. O. B. Lewis,
Ethyl Corporation,
Chrysler Building,
New York City 17.

Dear Oscar:

My letter of January 22 went forward to you without the draft of the circular letter. I make up that omission here, and at the same time send you a report and comments on the Artesia incident.

Cordially yours,

Robert A. Kehoe, M. D.
