

1 Modan dated November 7, 1975?

2 MR. FEATHERSTONE: Minor point: This letter
3 has a bunch of attachments to it which aren't here. Are
4 you just asking him to verify that this is a copy of the
5 cover letter?

6 MR. BRADLEY: Yeah. I'll just get to that.
7 That is not a minor point; it's a major point.

8 This doesn't have the attachments referred to
9 in the letter; is that correct?

10 A. This is correct.

11 MR. FEATHERSTONE: All right. When I said my
12 minor and major, it was not about the significance of the
13 attachments, just in responding to the question, I want it
14 made clear that this is a true and correct copy of the
15 cover letter that went with all these attachments. We will
16 stipulate that there were attachments with it.

17 MR. BRADLEY: We'll stipulate that the attach-
18 ments are not part of the exhibit. Is that correct?

19 MR. FEATHERSTONE: Yes. I also stipulate that
20 the attachments went to Modan, too.

21 MR. BRADLEY: Off the record.

22 (Thereupon, a short colloquy was had.)

23 Q. (by Mr. Bradley) And is this letter a cover
24 letter that had attached to it the references that are
25 referred to in the exhibit?
