Dr. Jerome F. Cole
Director, Environmental Health
Lead Industries Association, Inc.
292 Madison Avenue
New York, N.Y. 10017

Dear Dr. Cole:

Thank you for obtaining and sending to us the ILZRO Manual, "Lead Glazes for Dinnerware." Your Executive Vice President, Mr. Philip E. Robinson, was most generous in giving us his copy, and, since the data and references therein are so pertinent to the projects in which we are involved, we will indeed make good use of it.

Sincerely,

Dr. Stanley H. Lee
Fine Arts Coordinator
