Gentlemen:

Please furnish the writer with prices, quantity breaks, shipping or freight charges, and terms of payment which apply to your Elastafab #894 and your Vimasco Grey.

We are interested in your Elastafab in the 44" wide x 50 yd. long rolls. The Vimasco Grey we prefer in the 5 gal. pails.

We would appreciate any catalog information on your product line as we are currently involved in a rather extensive insulation project.

We are rated AAA-1 in Dun & Bradstreet and would like to be able to place orders with you via telephone and follow up with confirming purchase orders.

Please direct your reply to the under-signed.
