Tate,

Sorry for my slow response. We have legislative meetings today. I understand Erica Gaddis is going to get in touch with you to answer any questions. If you need something more, please let me know.

Hi All,

Hope everyone is doing well. I was watching the livestream of Admin. Pruitt's talk at the Concordia Summit. He mentioned a field visit to a subdivision in Salt Lake City Utah (I assume during the State Action Tour) that was hampered by 404 permitting issues. Could you please tell me the name of the subdivision and any information you can provide about the permit issue there?

My deadline is COB Friday.

Thanks,

Ariel
