Siegfried Miller, M. D.
Manchester, New York

Dear Dr. Miller:

Following the outbreak of the Pydraul burns here a few weeks ago, I wrote Dr. Johnson in the hopes of obtaining full instructions on the care of people who have been flooded with Pydraul A-200. Attached hereto is a copy of Dr. Johnson's reply.

If you or Dr. Sainsbury would like more specific information, I suggest you correspond directly with Dr. Johnson.

Very truly yours,
