Mr. Vandiver Brown
Secretary and General Attorney
Johns-Manville Corporation
22 East 40th Street
New York 16, N.Y.

Dear Mr. Brown:

Thank you for your letter of October 27th, which has been reviewed by our Medical Department and while Dr. Hamlin would like very much to be in attendance at the meeting that you have scheduled for November 14th it is impossible for him to do so. We would, therefore, like to ask that you inform us in connection with any decisions that have to be made. We think, of course, be interested in receiving a copy of the minutes of the meeting recording any actions taken.

We would like very much to keep the report on permanent file in the Medical Department headquarters in Chicago and you may rest assured that the information contained therein will be treated as confidential.

I thought you would be interested in the remarks of our Medical Director, Dr. L. D. Hamlin, in connection with this report and I am therefore attaching a copy.

Very truly yours,

Executive Vice President
American Brakeblok Division.
