Re

12/1/92 Marilyn

After reviewing my 10/14/92 letter + discussing this matter with Crawford, no additional monies will be paid since the number of weeks for the period 9/8/90-2/28/92 are NOT 116 but 77. Thus 77 WKS at $259.81 = $20,005.37 You'll recall Crawford reimbursed us $22,249.97 for lengths paid during the same period
