REPRODUCED AT THE NATIONAL ARCHIVES

CORRUGATED PAPER GROUP:

Re: Definition of Jobber - Corrugated Asbestos

The question has been raised as to what constitutes a Jobber of Corrugated Asbestos.

We have put in Schedule I a Jobber definition supposed to cover all commodities but have found necessity for altering this to cover Asbestos Paper and Rollboard.

Please give us your judgment as to the handling of this on Corrugated Paper.

Donald Tulloch, Jr.
