Subject: Joint industry letter on PFAS in spare parts and pre-owned products

Dear [REDACTED]

Thank you for your email of 31 July 2023 to the Commission regarding PFAS in spare parts and pre-owned products.

We took note of your comments on the restriction dossier as submitted by Germany, the Netherlands, Denmark, Sweden and Norway, including the concrete suggestions revising the proposed restriction.

We highly appreciate that you have submitted this information during the consultation organized by the European Chemicals Agency (ECHA). ECHA will carefully assess all information received during this consultation.

Yours sincerely,

(E-signed)
Kristin SCHREIBER
