Hi Michael!

I hope you are having a great week so far. Yes, sorry you beat me to it. The Secretary said he texted Mr. Wirth but I wanted to loop you in that we had a White House meeting get scheduled.

We could move it to 5pm if that would work for y'all? Sec. Wright mentioned Mr. Wirth may be traveling this evening.

Thanks, and let me know, we can look to reschedule next week too.

Izzy

Izzy,

Hope you're doing well. Chevron Chairman and CEO, Mike Wirth, will be visiting Washington DC on June 3 – 5 and would like to meet with Secretary Wright.

Will the Secretary be around at that time and available to meet? A 30 minute window should be sufficient.

Mike would like to update him on our U.S. investment profile and how that's funding global operations in support of the President's energy dominance agenda.

All the best,
Lem

Good Afternoon Izzy –

Hope you're doing well. Chevron Chairman and CEO, Mike Wirth, will be visiting Washington DC on June 3 – 5 and would like to meet with Secretary Chris Wright.

I've attached the meeting request form, as well as a meeting request letter from our Vice President of Government Affairs, Karen Knutson on behalf of Mr. Wirth, and his bio.

Mr. Wirth's calendar is currently open the afternoons of June 3 and 4, as well as the whole day of June 5. Let me know if there are any windows of availability within those dates to explore.

Looking forward to hearing from you soon.

Thanks so much,
M
