

1 right?

2 A That is right.

3 Q Now, the whole operation moved to the Oliver
4 Street garage in 1962; is that correct?

5 A That is right.

6 Q And I think you described that for us, and
7 the sense that I got is that you had a big area that
8 was the garage shop; is that right?

9 A That is right, much larger area than the
10 Preston Street.

11 In other words, the whole Oliver Street is
12 almost the whole inside of the area except where the
13 offices were and the swing rooms and the locker
14 rooms.

15 Q What kind of entrances were there into the
16 garage shop?

17 A You had two double -- you had big large
18 double doors, one to go in and one to come out.

19 Q Okay.

20 A They were sitting right together just like
21 this one, you went in on the right and came out on the
