This will be authority to furnish all superintendence, labor, equipment, transportation, and materials (except as otherwise specified) necessary for or incident to moving the 30 foot x 45 foot x 18 foot 6 inch wooden frame, asbestos siding, former Distillation Office Building from its present location adjacent Phenol Plant 2, to a location immediately southwest of Tank 1300. Contractor shall jack up the building, secure it to dollies, transport the building to the new site and lower it onto foundation blocks exercising due care to minimize cracking of walls and ceiling. Contractor shall leave the building with floors and walls level and plumb and with the building in solid contact with all supporting foundation blocks.

HUMBLE WILL FURNISH ONLY THE FOLLOWING:

1. Clear route for moving of the building.
2. Drinking water, not cooled, at present hydrants, use of same at Contractor's risk.
3. Guard service required during time of fence removal and transportation through Humble's parking lot.

HUMBLE WILL PERFORM ONLY THE FOLLOWING:

1. Disconnect electrical power, telephone service, and piping connecting to building prior to Contractor's jacking up and moving building.
2. Reconnect utilities at new site after building has been placed in final resting position.
3. Remove and replace obstructions along route selected by Humble for moving the building.

PAYMENT

As consideration for the full performance of this Contract by Contractor, Humble agrees to pay Contractor NINE HUNDRED FIFTY AND NO/100 ($950.00) DOLLARS. It is understood and agreed that the performance of and payment for this work shall be subject to all the terms and conditions of General Contract 1227 dated March 5, 1942, as amended.
