Val,  
We talked about this internally 2 days ago. It's in process. That's all I can say at this point.

Hey Scott -- Sending along my new Pollinator Partnership email address with a quick question. We're trying to get a proclamation from Sec. Zinke's office re Pollinator Week (next week!). I've been told it's there and will be acted on, but I'd love to include the fact that it's forthcoming in a press release. Any chance you can help pry it loose? USDA (Secretary's office) has already issued one. Thanks for your help on this, Scott. Would still like to connect later this month.
