

1 make it like we were so bad, we don't care.

2 The executives, some of the executives who
3 made a decision to manufacture and sell asbestos, this
4 Kaylo which contained 15 percent asbestos, had their
5 own children in the summertime working in the plant in
6 the late '60s, so they are going to try to portray us
7 as this big monster who doesn't care about people.

8 Well, the thinking was if you don't get
9 exposed to too much, you are fine, you are absolutely
10 fine, you are not going to get asbestosis.

11 In fact, they sent their own kids there. A
12 lot of the executives came up the hard way, back in
13 the '20s and '30s, they worked hard, they want their
14 kids to work hard.

15 Now, this case deals with mesothelioma. You
16 have got to ask yourself when is this association with
17 asbestos and mesothelioma?

18 There was some reference here today about
19 1947. Let me tell you something. Even the witnesses
20 that this law firm has put on this witness stand just
21 a month ago will admit that the association between
