SUBJECT: Consolidated Industry Brief on the OSHA Lead Standard

Enclosed is a copy of the Consolidated Industry Brief on the OSHA Standard for Occupational Exposure to Lead. This Brief was prepared by LIA Counsel, Standish Medina, with the assistance and input from attorneys representing various other industry litigants in this case. I think that they have done an excellent job and hope that you will agree.

During the next few months, we will be reviewing briefs submitted by labor union litigants and by OSHA in preparation of our answering brief which must be filed in late September.

Sincerely,

Jerome F. Cole, Sc.D.
