Mark,

We continue to get better organized on this topic to be ready for our new Secretary. Let's keep talking.

Thanks,
Scott

Scott,

Thank you so much for taking so much time to sit down with Randy Arnold and myself to talk about our invasive mussel issue here in MT. I am sitting in a gorgeous committee room in our state capitol right now listening to Randy present in front of one of our budget committees as to how much our mussel response is going to cost and where the money is coming from. As you can imagine its a really fun conversation!

But seriously, it was really great to have such an in depth conversation on our program and response. Both Randy and I left feeling like there is a tremendous appetite within DOI to substantially help our program work. We really look forward to working with you and the incoming Secretary!

Thanks and don't hesitate to reach out if you need anything in the way of follow up!
