Withdrawn for Reconsideration of alternatives

- * Labeling and identification of hazardous substances proposal.
- * Complaint against Indiana state plan.
- * Proposed amendments to generic cancer policy.

Postponed

- * Walkaround pay rule (postponed until May 30), and proposed for revocation.
- * Effective date of new trigger level for medical removal protection in lead standard (postponed until May 1).
- * Effective date of statement of feasibility of lead standard for certain industries remanded to OSHA (postponed until April 30).

Deletions

The deletions to the generic cancer policy resulting from last summer's Supreme Court benzene decisions have gone into effect. The deletions removed language saying that OSHA would regulate carcinogens to the lowest feasible level.
