Paint that's too cheap "in the can" is too expensive "on the job." It won't wear as it should either in length of time or in looks. But Bass-Hueter Paint wears years and years. That's "cheap" in the right place—on the job!

PAINT
when the sun shines
Work with the sun. Warm dry weather helps any paint job. Paint now and rest content with your house for years to come. That's the job you'll get with
