VISTA

A new leader has been announced for the HM-181 team, truly. Thank you goes to Tom Randolph for acting as temporary while I have been able to get introduced to my new job.

I would like to hold an HM-181 meeting on Wednesday, September 18, from 10:00 to 12:30, lunch to be provided. Please check your schedules for your availability. This date coincides with TSR and RTJ's trips to Houston. I will be sending out the agenda as the date gets closer.
