Subject

Mr. Dean Richardson
 Mr. Jim Hockersmith
 Mr. John Fields
 Mr. Charles Bowman
 Mr. R. N. Wheeler ✓
 Mr. Gary Himmler

Attached you should find a list of PVC producers with the capacity expressed in millions of pounds per year. This is very similar to the list developed by Merle Eisenhour a few months ago.

This list represents broad industry consensus of opinion of the present capacity.

We will continue to update as we develop information.

James R. Wilkinson
